NORRELL**
S.C. Senate

Mandy Powers Norrell knows the value of hard work.

Her parents worked for Springs Mills in Lancaster and she paid for college by working summers at the Mill.

As State Senator, Norrell will get government to do what families do every month – make ends meet.

And she'll do it **WITHOUT RAISING TAXES.**

Committed to Faith and Family.

Mandy Powers Norrell is a committed Christian who has taught Sunday School and sung in the choir.

She is committed to her family, community – and keeping taxes low.
